

**For the ❤️ of the game.**  
Let's unlock your potential. With the best tools, anyone can jump in and play. No intimidation, no sweat.

## How We Make it Easy

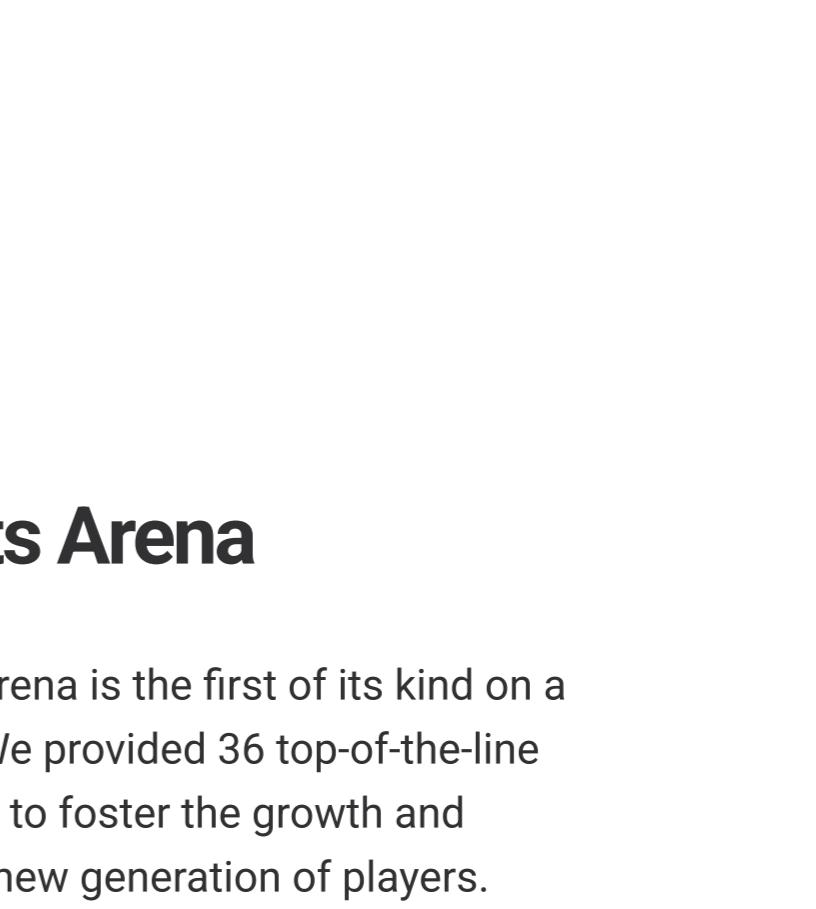

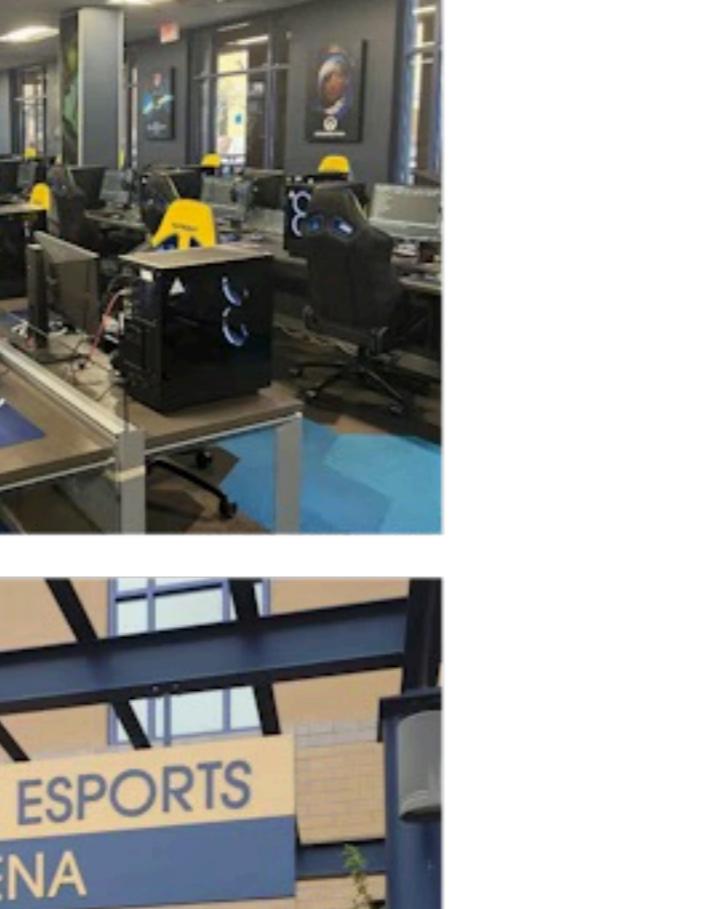

(Our secret sauce)

### Simply the Best

We offer a streamlined selection of high-performance parts, letting you dive into gaming faster and without fuss.

### End-to-End Solutions

We make hardware, software, and services that guide you along your journey, each step of the way.

### Minimal Flare

We design timeless products with universal appeal to fit seamlessly anywhere, for anyone.

### Built to Last

Our products are engineered for endurance, built with high-quality components, and rigorously tested.

### We Got You Covered

From our top-quality support team to our comprehensive warranties, we aim for peace of mind.

We've been serving the PC gaming community since 2004. It's not just our job, it's our passion.

## We Love Our Community

### GIVING BACK

#### Gamers Outreach

As a longtime partner of Gamers Outreach, we played a significant role in re-imaging the iteration of GO Kart (Gamers Outreach Karts). GO Karts are portable video game kiosks built specifically for hospitals.

### GEARING UP

#### UCI Esports Arena

The UCI Esports Arena is the first of its kind on a college campus. We provided 36 top-of-the-line NZXT prebuilt PCs to foster the growth and development of a new generation of players.
